Year 6/7 PG Movie Permission Form

Dear Parents and Caregivers

As a part of the curriculum, we will occasionally use videos and DVDs to support the students’ learning.

The films will usually be G rated, but sometimes they will be PG, and for this we need your permission for your child to view the film.

Only G/PG rated material will be used at school and will be previewed by staff.

If you have any queries, please let us know.

Yours in Christ
