Pancakes and Chocolate

Term 1 Week 5

Today we have enjoyed the fun and celebration of eating pancakes together, as a school, for Shrove Tuesday. Shrove Tuesday, also known as Mardi Gras (french for Fat Tuesday), is traditionally a day of celebration, food, fun and games - the feasting before the fasting.

What is it about pancakes? It is something that most people seem to love, or love the idea of? A bit like chocolate. Pancakes and chocolate bookend the season of Lent for Christians. They both represent richness, sweetness & joy.

Lent begins tomorrow on Ash Wednesday – a period of 40 days leading up to Easter when we focus on the enormity of love and sacrifice Jesus showed for us through his suffering and death on the cross. Lent is a time when Christians reflect on the fact that we are all sinners – ashes to ashes, dust to dust. We are all human and we all fail. We all need forgiveness and we believe that this forgiveness, new life and hope come through Jesus.

Fasting is a way of showing we are sorry, a way of reflecting. Whether you give something up for Lent (like chocolate, beer or fish on Fridays), or take up a habit like praying or reading the bible more, giving to a charity etc. the idea is for that practise to bring you into a fuller understanding and appreciation of Jesus love and sacrifice.

One of my favourite bible verses, and my prayer today is from Ephesians 3:18-19

... may you have the power to understand, as all God's people should, how wide, how long, how high, and how deep his love is. May you experience the love of Christ, though it is too great to understand fully. Then you will be made complete with all the fullness of life and power that comes from God.

May God bless and keep you all through this time of reflection before the Joy of Easter Sunday.

God's love for you is rich and sweet – like pancakes and chocolate.

Yours in Christ,

Leonie Sheffield

Year 5/6 Camp

From the Principal

Dear Families

Clarity, coherence and school improvement are what we are working towards through our partnership with Literacy Coach, Ms JoAnne Dooner.

JoAnne spent all of last week here at LLS, educating, guiding and teaching our staff and students. Our staff professional learning day was spent engaging in cognitive science, specifically Cognitive Load Theory, Schema Theory, Retrieval Theory and Barak Rosenshine's Principles of Effective Instruction. Time was also spent exploring in detail the 10 components of writing and helping teaching staff prepare for when they are teaching children to 'Write to inform'.

From a Principal perspective, listening to the professional dialogue and conversations between staff and seeing staff so engaged and keen to apply, refine and question what they were learning was so impressive.

On Tuesday afternoon, the Leadership Team (Trish Wright, Leonie Sheffield and myself) met with JoAnne to discuss key questions and considerations. As a team we mapped out what the next visit (Term 2) would entail, what professional learning we need staff to engage in, what professional learning leadership staff need to undertake to 'stay ahead of the game' and what structures do we need to put in place to support leadership and staff.

On Tuesday evening, we held an information session for new families to LLS. This session started with me outlining the journey we have been on as a school in light of the findings and recommendations from the QELi School Review in 2018 and how we got to the point of engaging a literacy coach. JoAnne then highlighted the importance of being literate, the components of literacy, how parents can support the school and their child at home and spoke about her role here at LLS.

During the school day between Tuesday and Friday, JoAnne and Trish spent most of their time teaching staff and students. They modelled lessons for teachers, observed lessons being taught by the class teacher, gave feedback to staff and looked at the types of questions being asked of students. JoAnne also gave feedback and direction to Trish on the feedback she was giving to teaching staff.

The work that we are undertaking is helping us to develop clarity on what we teach, why we teach the

way we are teaching and how we teach. It is helping us to build coherence in practice and language, which is so important for students and staff. It is helping build capacity of our teaching. All of this leads to school improvement, which is what we all are striving for.

I want to share some feedback from JoAnne that should make you feel very reassured about the school you have chosen for your children. I think this feedback carries a lot of weight, given Jo has worked across the globe with thousands of teachers and many thousands of children.

JoAnne said:

- a) You have some of the best teaching staff I have seen here
- b) This week I saw some of the best lessons I have ever seen
- c) I can't believe how far your staff have come in such a short amount of time
- d) You have a lovely school here
- e) I would send my own children here and recommend the school to anyone
- f) You have very lucky children

Isn't this some great feedback to hear!

School Card

The School Card scheme is administered by the Department for Education and Child Development (DECD) for fulltime students of low-income families.

School card applications can be submitted by families who have a combined annual income of up to \$57,000. Applications opened in January, and the discount of \$250 per student will only be applied to accounts once the approval has been granted by DECD.

If you would like any further information or an application form, please speak to Sarah in the office.

From the Principal

Student Illness

There are currently a couple of bugs and viruses going around. Please keep your children home from school if they are not well, as sending them to school increases the chances of other children and staff becoming unwell.

Leadership Professional Learning

On Sunday, the Leadership Team are going on a Professional Learning Trip to the Cairns Diocese for three days, where we will be visiting three schools, Our Lady Help of Christians (OLHOC), St Joseph's Cairns and Holy Cross. The three schools we are visiting have all been carefully selected, each with a distinct purpose.

OLHOC – OLHOC use the same approach to teaching literacy that we do. JoAnne Dooner has consulted there for 4 years. We are spending Monday and Tuesday at OLHOC with their leadership team and curriculum leaders. In our time there we will be exploring amongst other things:

- Their use of data walls
- PLC structures
- Teacher programs
- The Instructional Leader role
- Unaided writing
- Interventions for students
- Maths
- Reading in Reception
- Building staff and leadership capacity
- Timetabling matters
- Staff induction
- Feedback

St Joseph's – We will be visiting St Joseph's on Wednesday morning. There we will spend time with their leadership team, learning about St Joseph's Way, their school-wide positive relationships framework and how this underpins all of their policies and practices. We will also tour the school, looking at their learning spaces and how they enable teacher collaboration.

Holy Cross – We are travelling to Holy Cross on Wednesday afternoon. At Holy Cross, we will be learning about inclusion, diversity, social and emotional learning and their Sensory Room/Garden.

Mardi Gras

Over 100 children, siblings and parents have indicated they are going to be a part of our float for the Mardi

Gras on Saturday morning. Those joining in are encouraged to dress up in an 'Olympic' themed outfit.

Thank you to our Mardi Gras committee and staff at school for their hard work in organising the float and communication to families.

Details regarding the parade can be found on the next page.

Special Birthday

We extend a big Happy Birthday to Pastor Jason, who next week celebrates a special milestone. Wishing you every blessing on your 40th Pastor Jason!

Bus Notifications

A reminder to all families who utilise our bus service to notify the driver or the school should you not be using the service on a particular day. This helps ensure that our buses can leave on time and that other families are not impacted.

School Board

Nominations are currently being sought for people interested in joining the School Board. For more information, please contact outgoing Chairperson, Mrs Rebecca Arnold on 0429 841 350 ASAP.

Take care,
Brad

The annual 'Loxton Mardi Gras' is this Saturday. We have over 110 people participating, which is fantastic! Our theme is the 'Olympics'. We are asking participants to dress as an athlete from an Olympic sport.

Details about the day:

1. Students are to meet on Drabsch Street by 10:30am. We are generally positioned close to the Loxton Primary School, but look for our school bus.
2. Students can bring a labelled water bottle with them as the weather may be warm.
3. Please apply sunscreen before you arrive.
4. Please pick your child up **from in front of Asian Feast, after the parade.** (This is the new pick up point)

We look forward to seeing you Saturday morning. Aussie, Aussie, Aussie, oi, oi, oi

LLS Teachers – Joanne, Leonie B, Renee, Karl, Sonya and Leanne

LLS Captains – Mack, Bailey, Claire and Hunter

Bus News

BUS REMINDER

Please ensure that you advise the school office or Bus Driver of any changes or additions to your child's bus travel arrangements. This will enable our end of day bus procedures to run more efficiently.,

DECD BUSES NOTIFICATION

Please be advised that due to student free days across Loxton Public Schools on **6/3/2020** and **5/6/2020**, there will be no DECD school buses in service on those days

Apologies for any inconvenience caused, but you will need to make alternate arrangements on these days.

DECD STUDENT TRAVEL ALLOWANCE

Attention: Parents of bus children who are approved to travel on Department Buses.

The Government of South Australia allows families who live more than 5kms from their closest bus stop to make a claim for car travel to their bus stop. If you think you may qualify for this and do not already claim, forms are available at the front office.

Parenting

THERE IS NO SUCH
THING AS A PERFECT
PARENT. SO JUST
BE A REAL ONE.

~ Sue Atkins

Parenting can be a tough job, but you are not alone and there's support available. **Parentline** is a confidential telephone service providing support for parents.

For the cost of a local call you can:

- be listened to by a qualified counsellor
- tune into your needs as a parent (in addition to your child's)
- determine strategies for making change
- obtain information and resources about children and parenting
- access over-the-phone training in parenting skills
- gain a clearer understanding of your family dynamics

SAPSASA News

On Monday the 17th we had 13 students compete in a number of races at the Riverland school sport swimming carnival. We competed very well across multiple heats of the freestyle, backstroke and breastroke.

Our 4x50m freestyle relay team, led by our Year 7 students, also swam well placing 6th out of 13 schools. Congratulations to Cruise Goodhand who came 3rd overall in the 10 year old boys backstroke.

A big thanks to all the parents that provided transport for the students. Well done LLS on a good start to the school sport calendar!

Week 4

Week 5

LITERACY AT ITS BEST:

A reflection on our week from JoAnne Dooner's Visit

1. On Monday, during our student free day, the staff spent the day learning about 1 of the 3 types of writing; writing to persuade. JoAnne walked us through the many parts of teaching writing to persuade, including how to write to a specific audience, the text structure we need to learn, the persuasive devices we need to use and the vast amount of vocabulary that can assist in persuading a reader.
2. Lesson observations are always a part of developing best practice in our teachers. JoAnne and I undertook observations in writing and morning routine lessons and then gave specific and constructive feedback to the teachers involved.
3. Demonstration lesson were given by JoAnne in many classrooms including writing in the year 1, 1/2 and year 7 classes and phonics lessons in year 1 and 1/2. These demonstration lessons allow our teachers to see best practises and research based strategies that allow our students to obtain the best possible learning available.
4. The parent information session on Tuesday night proved a huge success, with the many new parents attending obtaining the chance to become more informed about our approach here at LLS and learn strategies to assist their child's learning at home.
5. On Wednesday after school the staff were able to further their professional development at our staff meeting, by delving deeper into Barak Rosenshine's 10 Principles of Instruction. (see the accompanying handout or the website below): <https://www.aft.org/sites/default/files/periodicals/Rosenshine.pdf> We did this in order to understand exactly how children learn and the best strategies to use to assist them in remembering this information. This is called retrieval and is based on 3 evidence based research projects carried out with many students and teachers, over a number of years.

We look forward to following up all of the areas mentioned above by continuing our demonstration and observations of lessons, running more parent meetings and developing staff capacity through professional development and coaching. I will also continue to pass important information on to parents, through our newsletter, explaining each of the 10 Principles of Instruction in greater detail.

Until then, I invite you to come in and have a conversation with me if you would like any further information. It really is an exciting time to be amongst the wonderful Loxton Lutheran School community!

Tricia Wright – Instructional Leader

THE PRINCIPLES OF INSTRUCTION

TAKEN FROM THE INTERNATIONAL ACADEMY OF EDUCATION

This poster is from the work of Barak Rosenshine who based these ten principles of instruction and suggested classroom practices on:

- research on how the brain acquires and uses new information
- research on the classroom practices of those teachers whose students show the highest gains
- findings from studies that taught learning strategies to students.

01 DAILY REVIEW

Daily review is an important component of instruction. It helps strengthen the connections of the material learned. Automatic recall frees working memory for problem solving and creativity.

02 NEW MATERIAL IN SMALL STEPS

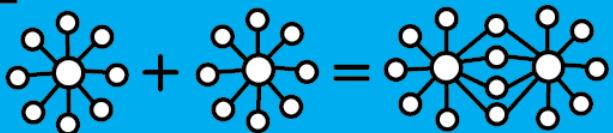

Our working memory is small, only handling a few bits of information at once. Avoid its overload — present new material in small steps and proceed only when first steps are mastered.

03 ASK QUESTIONS

The most successful teachers spend more than half the class time lecturing, demonstrating and asking questions. Questions allow the teacher to determine how well the material is learned.

04 PROVIDE MODELS

Students need cognitive support to help them learn how to solve problems. Modelling, worked examples and teacher thinking out loud help clarify the specific steps involved.

05 GUIDE STUDENT PRACTICE

Students need additional time to rephrase, elaborate and summarise new material in order to store it in their long-term memory. More successful teachers built in more time for this.

06 CHECK STUDENT UNDERSTANDING

Less successful teachers merely ask "Are there any questions?" No questions are taken to mean no problems. False. By contrast, more successful teachers check on all students.

07 OBTAIN HIGH SUCCESS RATE

A success rate of around 80% has been found to be optimal, showing students are learning and also being challenged. Better teachers taught in small steps followed by practice.

08 SCAFFOLDS FOR DIFFICULT TASKS

Scaffolds are temporary supports to assist learning. They can include modelling, teacher thinking aloud, cue cards and checklists. Scaffolds are part of cognitive apprenticeship.

09 INDEPENDENT PRACTICE

Independent practice produces 'overlearning' — a necessary process for new material to be recalled automatically. This ensures no overloading of students' working memory.

10 WEEKLY & MONTHLY REVIEW

The effort involved in recalling recently-learned material embeds it in long-term memory. And the more this happens, the easier it is to connect new material to such prior knowledge.

ELC Newsletter: Term 1 Week 4

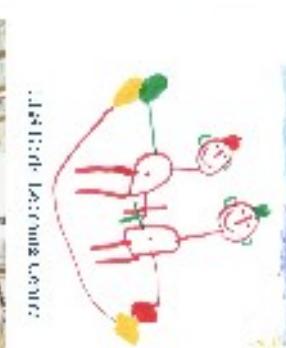

Happy 4th birthday to Lenii

Valentine's Day provides us with an additional opportunity to tell our families how much we love them. This emotion has a strong emphasis on the 'Belonging' aspect of the Early Years Learning Framework and the learning outcome that 'Children have a strong sense of identity' and that they 'feel safe, secure and supported.' Our school Value of Love also recognises our Christian beliefs that we are all created uniquely and loved by God.

We made decorated hearts and painted 'still-life' pictures to relate these understandings to our families.

We continue to explore aspects from the story 'Who Sank the Boat?' based on learning that connects to many curriculum and framework objectives. We have experimented further with telling the story through the use of different props, ordered the animals in accordance with the story sequence and illustrations, and made use of the equal arm balances to compare animal weights (albeit in 'small world' form). We have also collected and displayed information about different items and their ability to float or sink. Rhyming awareness and rhyming games continue for the coming week, as well as different forms of painting using water. Using dye colours in water proved as much an artistic realisation (since the colours ran into each other), as did the absorbent scientific qualities of the paper towel we applied the colours to.

Loxton Mardi Gras 2020

Scouts SA
Presents
Family Movie
Night!

FRIDAY 28th FEBRUARY

Friday night the Loxton Mardi Gras kicks off on the Rotunda Lawns at 6.30 pm with the Loxton Scouts catering a BBQ, donuts and drinks.

Followed at 7pm by Scouts SA showing a free family movie.
Bring your chairs or picnic blanket, make yourself comfortable and enjoy!

Mardi Gras 2020 Free Family Film, Friday 28th Feb.
Scouts' BBQ Tea, at Rotunda before Film at 7pm.

Mardi Gras Honouring the CFS

On Mardi Gras Parade day we are going to give special honour to the CFS.

A variety of fire trucks and vehicles, from surrounding districts and far away stations, varying from modern to antique, will be spaced within the parade giving onlookers the chance to cheer and clap as they go by, especially those with lights flashing and sirens blazing.

Throughout the day we will be given random opportunities to donate to the CFS Volunteer Association, which supports the fire fighters, especially those in crises of any sort.

After the parade some of the CFS vehicles will be parked in East Terrace and opportunities will be given to anyone to have a photo with a Firie, in or by one of the vehicles, in exchange for a gold coin offering.

The Mardi Gras Appreciation Service on the Sunday morning at 8.30 will also honour the CFS. Guest speakers will tell their own personal story of fire devastation in the Adelaide hills. Local volunteers will also be honoured at this service and everyone is invited to attend.
