

PURPOSE

Our purpose is to nurture, educate and inspire within a Christ-centred community.

VISION

Loxton Lutheran School is committed to student wellbeing that lays the foundation for a learning journey, the pursuit of knowledge and being inspired to achieve through a culture of grace, mercy and hope.

MISSION

Individual and corporate wellbeing will underpin the inspired learning journey of all students in the school. This will be achieved through adopting informed practices that complement our welcoming and encouraging learning environment. Our staff, resources and facilities will be developed to ensure that student learning is interesting, challenging and fulfilling.

Guided by a strong Lutheran identity and a culture that is Christ-centred, we are committed to developing our connectivity, inclusivity and influence in the school and wider community.

VALUES

Hope	Mercy	Grace
Looking to the future with optimism and expectation.	Extending forgiveness, compassion and empathy towards others.	Understanding that things go wrong sometimes.

CULTURE

Loxton Lutheran School is grace-based and welcoming; where students are engaged, empowered and encouraged in their learning and personal growth within the wider learning community.

STRATEGIC PRIORITIES & STRATEGIES

Excellence In Learning	Ongoing Improvement & Innovation	Strengthening Lutheran Identity	Community Building	Leading Effective Organisation & Management
Develop key aspects of the learning environment.	Develop facilities and infrastructure to meet ongoing needs.	Develop strength in culture and core values.	Build a stronger connect with school and wider local community.	Develop sustainable practices to ensure viability of school.
